

## **INTERNATIONAL STUDENTS' WORKFLOW DIAGRAM**

### **Before Application;**

- The student's original high school diploma and its Turkish translation,
- Turkish translation of the transcript,
- Passport and its Turkish translation,
- Equivalency approval of the high school diploma by the relevant country's consulates and the Turkish translation of this document.
- TR-YÖS Turkey International Student Admission Exam: Prepares the document with a score of at least 100 out of 500.

### **During the application;**

- Find and click on the international student link on the web page of our university,
- The application is completed according to the workflow specified on the relevant page and the application is completed by uploading the documents specified above,
- Then the Evaluation (announcement of the results) timetable is expected,
- The evaluation results and the acceptance letter are sent to the e-mails provided by the students during the application,
- With the acceptance letter received, the student applies to the consulates of the relevant country and obtains a student visa and comes to our university within the specified dates and registers in person or by official notarised proxy,

### **Documents to be prepared for registration;**

- Before the student arrives, for residence procedures, the student accesses the [e-ikamet.gov.tr](http://e-ikamet.gov.tr) website of the Directorate General of Migration Management to download the residence permit application form. The downloaded form is filled out and signed with a wet signature.
- General Health Insurance is taken out,
- Prepares the residence certificate of the place of residence,
- Goes to the Tax Office located in the Ağrı Governorate to prepare the receipt indicating the payment of the residence permit fee.

### **When registering:**

- The student completes the registration by bringing all the documents uploaded during the international student application on our university's website, as well as the documents required for registration, to the Department Directorate located in the Yaşam Merkezi (Life Center) within the specified dates.
- It is sent to the relevant bank to deposit the tuition fee of the relevant programme of our University, determined annually according to the Current Service Cost determined by the Presidential Decree,

- After paying the tuition fee for their program, the student's inactive student status is activated.
- All prepared documents are sent to the Provincial Directorate of Immigration for processing.
